BRINGING FRESHNESS TO THE WORLD

Fresh 'n Fresh is an exciting, recently launched business with well established connections among Egypt's highly developed agricultural industry. Our expertise is in the packing and exporting many varieties of the best quality fruits and vegetables.

Our aim is to become one of the world's leading produce export companies, which is why we are fully committed to excellence in both our products and the service we give our customers. Even though we are a new company we incorporate the experience of our professional team, which is highly knowledgeable about all stages of the process.

First and foremost we always pick our fruits and vegetables from trusted and sustainable sources and check suppliers on a regular basis to make sure we only give our customers the best produce on the market.

Processing, packing and transportation are all key elements in bringing our excellent products to the world markets and we take great pride in our management of all stages of the business.

GETTING GREAT PRODUCE ALL THE WAY TO YOU

Once we find and acquire the season's best products we know that timing is critical when it comes to making sure that the freshly picked is also the freshly delivered.

All our products go directly into Egypt's leading packing and handling houses. We monitor the process and plan the logistics so the fruit and vegetables are perfectly sorted, packed and sent onwards to their destinations in prime condition.

It is a matter of proven expertise about logistics and local conditions in different parts of the world that we can guarantee the best products arrive with you to suit the tastes and expectations of your own customers.

GROWING SUCCESS

Today the world's consumers have come to expect all types of fruit and vegetables to be available around the year, in ideal condition and at a competitive price.

The sophisticated agricultural industry of Egypt has developed to meet these requirements and is capable of supplying many of the most popular fresh foods as well as some increasingly popular exotic varieties.

Farms that Fresh 'n Fresh select as partners are leaders their fields and setting standards of production, sustainability, worker welfare and safety. We appreciate the favorable feedback of our own customers, confirming that we continue to make the right decisions with our sources and supply partners in only providing the very best of Egypt's agricultural bounty.
